

## Institute Innovation and Entrepreneurship Development Cell

### IIEDC Activities held in the year 2016:

#### 1. IPD Exhibition

October 5<sup>th</sup> of 2016 was marked as the Innovative Product Design exhibition day in Chandigarh College of Engineering and Technology (Degree Wing), Sector- 26, Chandigarh. More than 100 Students of 1<sup>st</sup> year (Batch 2015), (Computer Science Engineering, Electronics & Communication Engineering, Mechanical Engineering and Civil Engineering) participated in the exhibition with great enthusiasm. The exhibition was held under the aegis of Institute Innovation and Entrepreneurship Development Cell (IIEDC) & Indian Society for Technical Education (ISTE) of C.C.E.T. (Degree Wing), Chandigarh.

Apart from the projects, team FLASH, BAJA Team of CCET and Team CORSA, FSI Team of CCET displayed their Roll cage, fixtures, tyre stand and work bench of All Terrain Vehicle and the Formula Car respectively.

The Jury members evaluated the projects on the basis of originality, concept clarity, feasibility & cost.

Dr. M. S. Gujral, Principal appreciated the students for their hard work and innovation in the field of technology and wished them a successful future. All the HODs endowed the students with their experience and guided them at every step in the project.
