PRESS RELEASE

CCET (Degree Wing) Student makes India proud at WorldSkills, 2019

Gursheesh Singh Chawla, student of Computer Science and Engineering at Chandigarh College of Engineering and Technology (Degree Wing), represented India at WorldSkills 2019, held from 22 to 27 August at Kazan, Russia. Competitors from 60 countries in 55 skills, numbering over 1500 in total, attended the event. The event saw the participation of 48 Indian competitors in various skills. Gursheesh competed under the skill 'IT Software Solutions for Business (ITSSB)' against competitors from 27 countries, securing a Medallion of Excellence. To make it to the Indian team, Gursheesh qualified several rounds at the state, zonal, regional, and national levels. This was another one of Gursheesh's achievements, who has previously also represented India at WorldSkills Asia, Abu Dhabi as well as the Russian Nationals, over the past few months. This was the first time an Indian secured a Medallion of Excellence in the ITSSB skill. He expressed gratitude towards the Principal Dr. M.S. Gujral, and the college faculty for being helpful, understanding and supporting him over the past year as he dedicated his time and energy towards polishing his skills. India won 1 gold, 1 silver, and 2 bronze medals as well as 15 Medallions of Excellence at the event.
