NSS CLEANLINESS DRIVE

DATE - 29th March, 2017

The **National Service Scheme** Unit of Chandigarh College Of Engineering conducted a **Cleanliness Drive** in which the sweepers were given some time off of their tough jobs and the students took over to clean the Cafeteria Area. The Drive was inaugurated by Honourable Principal Sir – Mr. MS Gujral, Nss Incharge - Mr. Gulshan Goyal, PSC - Mr, Rajesh Kumar and SSC - Mr.Radheshyam . After the inauguration, around 80 students of the NSS unit took over, to clean the Cafeteria Area and let the workers rest for some time.

The Drive was an initiative taken to raise awareness among the students for cleanliness around them and to make them realise the amount of hardwork it takes to clean an area and not litter it and keep it clean. The drive went on for an hour and the students participated enthusiastically.

The Cleanliness drive was very well organised and timed and took place successfully. The drive was wrapped up by taking a group photograph with the sweepers and the workers.
